

# IDLER PULLEYS

## BULLETIN T-10

Machined, cast aluminum pulleys equipped with heavy duty sealed-for-life ball bearings. Available size shown in chart below.

- Aluminum pulleys with keyway also available in 6" dia. X 3 1/4" or 4 1/4" width.
- Pulleys can be supplied with rubber covering.
- All pulleys are crowned. Belt won't track well if the crown is worn down.
- Pulleys can be recrowned for extended life.
